

PRAYER TO ABOLISH HUMAN TRAFFICKING

Dear God,

You say in your Word, "Defend the cause of the weak and fatherless; maintain the rights of the poor and oppressed. Rescue the weak and needy" (Psalm 82:3-4). Help us to do that.

We plead for those who are enslaved today, especially as domestic or sexual slaves. Because you love them, give them grace and peace and healing, O Almighty Lord, open opportunities for us to help them. Show us ways we can make others aware of this terrible situation in our nation and world.

We pray that law enforcement will see situations as they are, to bring justice to those who are responsible. We pray for legislation that will enable this illegal trafficking and slavery to stop. We pray for courage in ordinary citizens who care, and who can and will liberate those held captive and exploited by others. God have mercy on us and those who are hurting. Show us how we can help. Amen.
